	M.Sc. Global Production Engineering M.Sc. Industrial Engineering									
	M.Sc. Innovation Management and Entrepreneurship									
	M.Sc. Environmental Planning M.Sc. Sociology of Technology									
	M.Sc. Environmental Planning									
	M.Sc. Geodesy and Geoinformation Sciences M.Sc. Environmental Technology									
	M.Sc. Mechanical Engineering									
	M.Sc. Civil Engineering M.Sc. Environmental Technology									
erlin	M.Sc. Sociology of Technology									
TU Berlin	M.Sc. Urban and Regional Planning									
	M.Sc. Civil Engineering M.Sc. Environmental Technology									
	M.Sc. Electrical Engineering									
	M.Sc. Mechanical Engineering M.Sc. Regenerative Energy Systems									
	M.Sc. Urban Ecosystem Sciences									
	M.Sc. Urban and Regional Planning M.Sc. Architecture									
	M.Sc. Facilities Engineering									
	M.Sc. Urban and Regional Planning									
	M.Sc. Urban Design MSc Sustainable Business & Innovation									
	MSc Energy Science									
ے	MSc Sustainable Development MSc Energy Science									
Utrech	MSc Science & Innovation Management									
_ >	MSc Earth Sciences MSc Science and Business Management									
	MSc Sustainable Development									
	MSc Science & Innovation Management  Master of Sciences of Univers, Environment, Ecology									
	Sciences and environmental Policy (UPMC-Sciences-Po)									
	Ecology, Biodiversity, Evolution (UPMC-AgroParisTech)  Systematics, evolution, paleobiodiversity									
UPMC	Ocean, atmosphere, climate et space observation									
5	Geosciences									
	Hydrosciences and continental environment Geosciences									
	Oceanography and marine Environment									
UVSQ	Sustainability Studies-Theories-Tools-Terrains Ecological Economics and Integrated Environmental Assessment									
	International Master in Management of Eco-Innovation									
	Arctic studies Interaction Climat-Environment									
	Air quality and noise mitigation									
AgroParisTech	Master of Science Life and Environment									
	Spaces, Resources, Environments Speciality Economics of Sustainable Development, Environment and	Energy	,							
	Mathematics and Modeling, Economic and Social Sciences									
	Specialty: Operation and Management of Ecosystems (Nancy) Speciality Water and Agriculture									
	Speciality Water and Society									
	Specialty "Continental Environments Science & Hydro" (UPMC) Specialty Ecology, Biodiversity, Evolution (UPMC)									
	Speciality: Environment, Development, territories, companies									
<u> </u>	Biotechnology (MBT) Earth and Environment (MEE)									
Wageningen	Environmental Sciences (MES)									
	Climate Studies (MCL)									
	International Land and Water Management (MIL) Urban Environmental Management (MUE)									
Ecole Polytechnique	Master of Sciences for environmental Challenges (WAPE)									
	Master technology venture									
	Master technology venture									
<u>8</u>	Master technology venture									
I	MSc Sustainable Energy Technology (SET)	<u> </u>		<u> </u>						

TU Delft	MSc Industrial Ecology (IE)					
	MSc Management of Technology (MoT)					
	MSc Strategic Product Design (SPD)					
	MSc Systems Engineering, Policy Analysis and Management (SEPAM)					
	MSc Engineering and Policy Analysis (EPA)					
	MSc Integrated Product Design (IPD)					
	MSc Aerospace Engineering (AE)					
	MSc Applied Earth Sciences (AES)					
	MSc Architecture, Urbanism and Building Sciences (AUB)					
	MSc Civil Engineering (CE)					
	MSc Coastal and Marine Engineering and Management (CoMEM)					
	MSc Construction Management & Engineering (CME)					
	MSc Design for Interaction (DfI)					
	MSc Economics and Management of Network Industries (EMIN)					
	MSc Erasmus Mundus European Wind Energy (EWEM)					
	MSc Geographical Information Management and Applications (GIMA)	)				
	MSc Geomatics (GEO)					
	MSc Life Science & Technology (LST)					
	MSc Mechanical Engineering (ME)					
	MSc Transport, Infrastructure & Logistics (TIL)					
Imperial College	MA (RCA)/MSc in Innovation Design Engineering					
	MSc in Sustainable Energy Futures					
	MSc Environmental Technology					
	MSc in Environmental Engineering					
	MSc in Hydrology and Water Resources Management					
	MSc in Hydrology and Sustainable Development					
	MSc in Hydrology and Business management
