

Journey

EIT CLIMATE-KIC JOURNEY CONFERENCE

SPONSORSHIP PACKAGES

Budapest, 27th & 28th August, 2019

The Journey is a unique program which brings together students, companies, research institutes and governments to work out new ideas to manage the newest challenges related to business development and climate change. Join the program's Community Summit conference to experience the innovative mindset of young multinational talents and be part of the future solutions.

For further information on sponsorship and exhibition opportunities please contact:

Mariann Bérci

E-mail: education@ppis.hu

The event is organised by:

Supported by:  Climate-KIC

The 'eit' logo consists of the lowercase letters 'eit' in a white, lowercase, sans-serif font, enclosed within a white circular border that has a slight gap at the top.

Are you ready to join our journey toward a net zero carbon economy?

Every year, hundreds of international young talents apply to join this 4-week residential program taking place in 20 cities across Europe over a series of multidisciplinary learning labs. This EIT Climate-KIC program has been running since 2010 and generated about 250 climate-related business ideas, from which dozens joined the Accelerator program and later on run a successful startup venture.

This year, 5 Journey Summer School culminate in a two-day final event in Budapest on 27-28th August, where your company will have the possibility to inspire and engage with a crowd of over 200 young talents, EIT Climate-KIC partner organizations, companies, universities and international organizations.

Due to the program's international character, the official language of the Conference is English.

27th & 28th
August, 2019
